Subject: WWF labels, working with a quote dated 1-15-02.

Good morning George,

I am working with Stacy Pauly acquiring the required labels. I have a few questions for you.

- 1) you have one million pieces on hand in your warehouse that are of the old style.
- 2) We will order 9 million at .015 each
- 3) Did you handle all shipping to Hong Kong in the past? If not, I can do it.
- 4) Is our account all up to date? Any issues?
- 5) What is the deliver time frame?
- 6) Do you have the artwork for the new WWE format?

I can be reached at the numbers below. I look forward to talking to you soon.

Thank You,
Andy Rickelmann
